#### HISTORY

Lara, the daughter of Lord Henshingly and Lady Angeline Croft (deceased), was raised to be an aristocrat from birth. After graduating from finishing school at the age of 17, Lara's marriage into wealth had seemed assured, but she opted instead to continue her education. In 1988, on her way home from a school sponsored skiing trip, her plane had crashed deep in the heart of the Himalayas. The only survivor, Lara learned how to depend on her wits to stay alive in hostile conditions a world away from her sheltered upbringing. By the time she walked into the village of Tokakeriby, Nepal, two weeks later, her experiences had a profound effect on her. Unable to stand the claustrophobic suffocating atmosphere of upper-class British society, she realized that she was only truly alive when she was adventuring.

Over the following eight years she acquired an intimate knowledge of ancient civilizations across the globe, all the while continuing her education at Oxford, then at the University of Chicago in the United States. Her father disowned her when

#### WEAKNESSES

Sexy, young, and adventurous Lara Croft travels the globe in search of the adrenaline rush she gets from defying impossible odds and bringing back impossible treasures. She is the Tomb Raider.

MORE HISTORY

she was 21 (after what was described as a very intense argument), so she turned to writing to fund her trips. She is currently employed as an associate researcher for the British Museum in London, and continues to write articles and abstracts for th r various publications.

She is also famed for discovering several sites of profound archaeological interest, and made a name for herself by publishing detailed travel books, and adventure novels partially derived from her own exploits. She continues to write and publish this series of adventure novels (*The Adventures of Rhonda Carmichael*), and edits a creative writing journal for aspiring writers (*The Croft Adventure Journal*).
