Action! Classics: The War of the Worlds Source Book

Action! System source book Apr '03
4202 1-890305-45-6 24.95

The *Action! Classics: War of the Worlds* book, by authors H.G. Wells and Christopher McGlothlin, M.Ed., is based on the original science-fiction classic novel by H.G. Wells. The book also features an introduction written by famed science-fiction author James L. Cambias.

The book includes both the complete text of the original novel by H.G. Wells, as well as a sourcebook containing information about the people, places and equipment found in the novel.

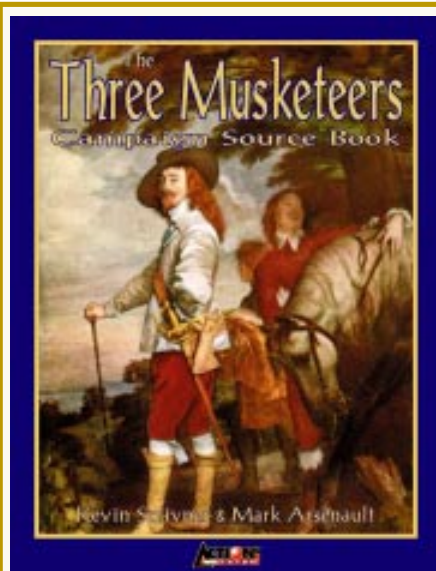

The source book section includes both *Action! System* and *d20 System* stats for the major characters, the Martians, the weapons and yes, even the Martian war machines, allowing you to incorporate *The War of the Worlds* into your adventure roleplaying game.
