

# HELLO MUTANT!

Thanks for buying *Terrors of the Lost Paradise*. We hope you have as much fun gaming in the Northwest as we did designing it. Below are some important notes you should be aware of.

- 1) Make sure you are using Adobe Acrobat Reader 5.0 or greater. If you are using 4.0, the book will not look right.
- 2) This is the second of two books that comprise The Lost Paradise. Chapters 1-4 are sold separately in the ebook, *the Lost Paradise*.

Have fun!
